On the Cover

Advancing technology to become the best.

This year, Iowa State University celebrates technology. During its 132-year history, the university has pioneered thousands of advances in the practical use of science for the benefit of society—from the development of the first digital computer to the creation of a glass fiber that simplifies laser surgery. This proud heritage will be honored with this year's 100th anniversary of the groundbreaking for Marston Hall, home of the College of Engineering. And the dedication of Howe Hall, the first phase of the Engineering Teaching and Research Complex, reflects the University's commitment to create new solutions for an interactive world. All facets of the University participate in the effective use of technology and contribute to its advancement—developing new pathways for students, faculty, Iowans and the world.

Iowa State University of Science and Technology is an Iowa State Board of Regents institution.

Student Billing

Residence Hall and USAC residents are billed by the Accounts Receivable Office for long distance calls. (One resident in each USAC apartment is billed for basic service.) Telecommunications call detail statements are mailed each month.

Charges must be paid monthly to avoid losing service and incurring a reconnection charge (non-refundable) of $10.

You are responsible for all calls placed using your authorization code. Do not give this information to anyone!

NOTE: FRAUDULENT BILLING CAN LEAD TO PROSECUTION - It is illegal for a person to charge long distance calls to another person's calling card or authorization code without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or fine.

Data Network Information

The Iowa State University Data Network provides access to the Internet including campus services like the Library, Acropolis and college and department servers. Residence hall students use Ethernet; University Student Apartment Community (USAC) and off-campus sites use remote access services.

Connecting to the Campus Network from the Residence Halls

To use Ethernet, you will need three basic components:

- Ethernet Connection (installed by Telecommunications).
- Ethernet Card (unless your computer has a built-in Ethernet connector). Ethernet cards are available in the Microcomputer Product Center, or through computer dealers. The Telecommunications Office supports 10BaseT connections in the residence halls.
- Communications Software Once your computer hardware is set up for Ethernet, you will need to configure network connectivity software.

Add, move, or disconnect
Student Ethernet
on-line:
http://www.tele.iastate.edu

NOTE

Lightning may damage equipment connected to a power source or a communications jack. The Telecommunications Office is not liable for damage caused by electrical storms. Surge protectors will not guarantee protection. We recommend that you disconnect both the power cord and communications cable during electrical storms.

For more information or assistance contact:
Solution Center
195 Durham Center
296-6000

Connecting to the Campus Network from Off-Campus and USAC

Enhanced remote networking is available through PPP service utilizing V.34 (33.6K) or V.90 (56K) inbound modems. This gives users the ability to run applications such as Telnet, FTP, and web browsers. Use of PPP service is billed to a personal account through the Accounts Receivable Office. You must have an ISU Network-ID for authentication. Instructions for obtaining an ISU Network-ID are available in the Solution Center, 195 Durham Center.

To Establish PPP Service:

Log in to Project Vincent:

TYPE	request
SELECT	PPP access

Answer the questions at each prompt. Rate information is included.

Obtaining Software

Client-end support is provided by the Computation Center. Software packages are available in several forms. Instructions for obtaining this software are available in the Solution Center, 195 Durham Center, and at `http:/www.public.iastate.edu/~micronet`.

Connecting to the PPP Server

There are two separate access numbers for the PPP modem pools:

V.34	33.6K	268-4777
V.90	56K	268-4565

Temporary Data Protection

When using your telephone with a modem for data calls, activate Temporary Data Protection to prevent any interruption for the duration of your data call.

To activate:

On-Campus

Text-Only Network Access

The modems support speeds up to 28.8 kbps. To access these modems, dial:

268-enet
(268-3638)

At the prompt, enter your ISU Network-ID and password.

The Solution Center

The Solution Center provides a central resource to help students get connected to the network at ISU. Connectivity can be anything from requesting Ethernet to getting help with site-licensed software. The Solution Center also helps students set up email, newsreaders, Telnet, and FTP (File Transfer Protocol). Personal computer users at ISU can rely on the Solution Center for a wide range of support. The Solution Center offers several handouts and advice to "do it yourself", or an appointment can be made with the SNAP team for help getting set up.

The Solution Center may be contacted by phone at 515-296-6000; by email at `solution@iastate.edu`; or in person in 195 Durham Center. Hours are from 8 a.m. to 5 p.m., Monday through Friday with additional telephone support hours. On the Web, look for it at `http://www.cc.iastate.edu/solution/`.

SNAP Team

The Student Network Access Project (SNAP) is available to assist students who wish to connect their personal computer to the campus network. An assistant can visit your residence hall room to help install an Ethernet card in your computer, configure the card, and help install the networking software. The team also maintains a drop-off service in the Solution Center, 195 Durham Center. Students may leave their machine in the work area and have the setup done there. Off-campus students can also drop off their machines to have their computer and modem set up to connect to the campus network through the PPP dial-up service.

SNAP is funded by your student computer fee. There is no charge for most standard services. Each student may receive one hour of no-charge consulting; a fee may be charged for some cases. You can contact the Student Network Access Project team by phone at 515-294-9316 or email at `snapteam@iastate.edu`.

HELPING YOU BUILD A SECURE FINANCIAL FUTURE IS AN IMPORTANT JOB.

FORTUNATELY, TIAA-CREF HAS THE PERFECT RESUME.

With 80 years of leadership experience in our field, TIAA-CREF is eminently qualified to help you build a comfortable, worry-free retirement.

Our references are equally impeccable—today, two million of the best minds in America trust us with their retirement plans, turn to us for mutual funds and their insurance needs.

Allow us to review our qualifications.

Superior strength

With $200 billion in assets, TIAA-CREF is the world's largest retirement organization—and among the most solid. TIAA is one of only a handful of companies to have earned top ratings for financial strength, and CREF is one of Wall Street's largest investors.[1]

Solid, long-term performance

We seek out long-term opportunities that other companies, in pursuit of quick gains, often miss. Though past performance can't guarantee future results, this patient philosophy has proven extremely rewarding.

Surprisingly low expenses

TIAA-CREF's operating costs are among the lowest in the insurance and mutual fund industries.[2] Therefore, more of your money goes where it should—towards ensuring your future.

Easy diversification

We offer a wide variety of expertly managed investment options to help build your assets. With stock, bond, money market, and real estate accounts to choose from—as well as a guaranteed annuity—TIAA-CREF makes diversification easy.

Unrivaled service

We believe that our service distinguishes us from every other retirement company. In a recent nationwide survey of retirement plans, TIAA-CREF was voted number one in participant satisfaction.[3]

If you work in education, research, or related fields, why not put TIAA-CREF's experience to work for you? To find out more, visit our website at **www.tiaa-cref.org or call us at 1 800 842-2776.**

TIAA CREF

Ensuring the future for those who shape it.℠

[1]A++ (Superior), A.M. Best Co.; AAA, Duff & Phelps; Aaa, Moody's Investors Services; AAA, Standard and Poor's for stability, sound investments, claims-paying ability, and overall financial strength. These ratings of TIAA as an insurance company do not apply to CREF or the TIAA Real Estate Account. Student Employment

Brandon Daley - Allegheny College *"The people I've met... the experience I've gained far exceed the money I've made."*

John Moore - Edinboro University *"Where else can you make over $2000.00 a month, have flexible hours, with weekends and holidays off?"*

Kevin Lawson - Appalachian State University *"CDP adequately prepares students to enter the sales environment; this experience can't be taught in a classroom."*

Iowa Voter Registration Application

Voter Qualifications:

To register to vote in Iowa, you must:

> be a citizen of the United States
> be a resident of Iowa
> be at least 17 1/2 years old (you must be 18 to vote)
> not have been convicted of a felony (or have had your rights restored)
> not currently be judged "mentally incompetent" by a court
> give up your right to vote in any other place.

Deadlines for registering to vote are 10 days before a primary or general election; 11 days before any other election. You may register after the deadline, but your registration will not be effective until after that election. Normally, an application must be received by the deadline in order to be valid for the election. However, if your registration is postmarked at least 15 days before the election, it will be accepted for that election even if it is received after the deadline.

Registration is permanent. After you register, you do not have to register again unless you move to a new address.

Instructions:

1. Use this form to:
 (a) Register to vote; or
 (b) Report a change of name, address, telephone number or party affiliation.

2. Use a ball point pen to fill in all the blanks on the form.

3. Carefully cut out the form with scissors.

4. Address an envelope to:
Commissioner of Elections
Courthouse
(your county seat), IA (zip)

5. Insert the completed form - be sure it is signed - into the envelope, affix first-class postage, and mail.

6. You should receive a receipt of this application within 14 days. If you do not, contact your county auditor.

Privacy Act Notice: Disclosure of your social security number on this voter registration application is voluntary. It is requested by authority of 1994 Iowa Acts, SF 2223. Failure to provide the number will have no effect on your right to register or your right to vote. If you provide your number, it will be used to help avoid multiple registrations for a single individual. It may also be disclosed to those who purchase lists of registered voters and to those who view original voter registration records, which are public records under Iowa law.

Introducing the #1 way to create and deliver your resumé over the Internet!

[Did we mention it's absolutely FREE]

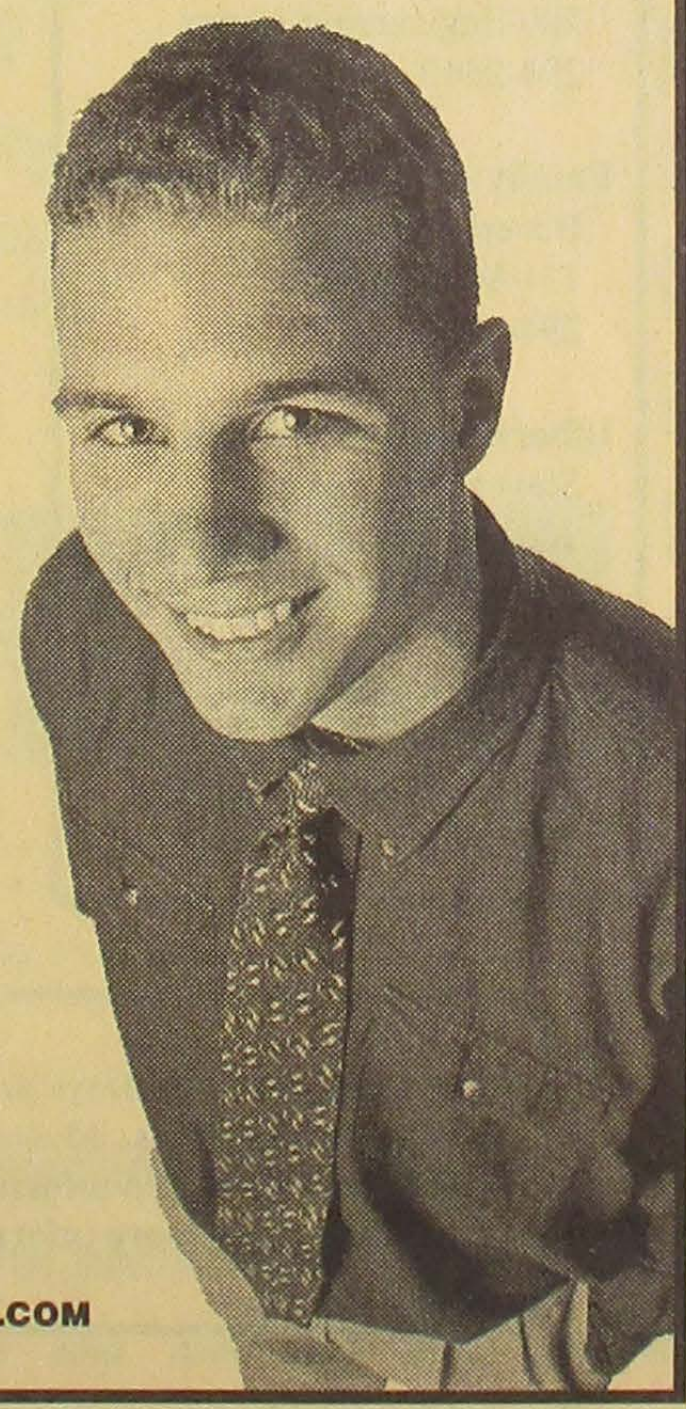

With jobs.com Resumail™ Resumé, starting your career is as easy as 1-2-3. And we have made creating your resumé the right way just as easy. Just go to www.jobs.com and download Resumail Resumé for free! Or pick up the free CD the next time you're strolling through the University Center. After you create your resumé, find a job posting that interests you on jobs.com's website, and click the

button. Your resumé is instantly and confidentially delivered to that employer. Like we said, as easy as 1-2-3. So download Resumail Resumé, or get the free CD, today.

SPRING / SUMMER INTERNSHIPS!!

University Publishers, Inc. hires college students to help coordinate the marketing, advertising and sales of the 5 Finger Campus Coupon Book!

- ***Great Resume Booster***
- ***Excellent "Real World" Experience***

What is the 5 Finger Campus Coupon Book?

The 5 Finger Campus Coupon Book is a bi-annual publication which contains money saving coupons for college students. It is distributed throughout the entire year and new books are printed with each spring and fall semester.

Nikki Defazio - Penn State University

"It was a great opportunity for me to apply what I learned in the classroom and make money doing it."

Jeff Holley - Clemson University

"I was able to make many important business contacts, not knowing how much money could be made in sales."

IOWA STATE UNIVERSITY

You'll be flying in a jet maintained by Tommy.

When Tommy grows up, he'll be an aircraft mechanic. Perhaps he'll work on a jet that you fly in some day.

By then, the job will require an advanced knowledge of chemistry, physics, and trigonometry. Unfortunately, very few kids are being prepared to master such sophisticated subjects.

If we want children who can handle tomorrow's good jobs, more kids need to take more challenging academic courses.

To find out how you can help the effort to raise standards in America's schools, please call 1-800-96-PROMISE. If we all pitch in and help, America will get where it needs to go.

HELPING YOU BUILD A SECURE FINANCIAL FUTURE IS AN IMPORTANT JOB.

FORTUNATELY, TIAA-CREF HAS THE PERFECT RESUME.

With 80 years of leadership experience in our field, TIAA-CREF is eminently qualified to help you build a comfortable, worry-free retirement.

Our references are equally impeccable—today, two million of the best minds in America trust us with their retirement plans, turn to us for mutual funds and their insurance needs.

Allow us to review our qualifications.

Superior strength

With $200 billion in assets, TIAA-CREF is the world's largest retirement organization—and among the most solid. TIAA is one of only a handful of companies to have earned top ratings for financial strength, and CREF is one of Wall Street's largest investors.[1]

Solid, long-term performance

We seek out long-term opportunities that other companies, in pursuit of quick gains, often miss. Though past performance can't guarantee future results, this patient philosophy has proven extremely rewarding.

Surprisingly low expenses

TIAA-CREF's operating costs are among the lowest in the insurance and mutual fund industries.[2] Therefore, more of your money goes where it should—towards ensuring your future.

Easy diversification

We offer a wide variety of expertly managed investment options to help build your assets. With stock, bond, money market, and real estate accounts to choose from—as well as a guaranteed annuity—TIAA-CREF makes diversification easy.

Unrivaled service

We believe that our service distinguishes us from every other retirement company. In a recent nationwide survey of retirement plans, TIAA-CREF was voted number one in participant satisfaction.[3]

If you work in education, research, or related fields, why not put TIAA-CREF's experience to work for you? To find out more, visit our website at **www.tiaa-cref.org or call us at 1 800 842-2776.**

TIAA CREF

Ensuring the future for those who shape it.℠

[1]A++ (Superior), A.M. Best Co.; AAA, Duff & Phelps; Aaa, Moody's Investors Services; AAA, Standard and Poor's for stability, sound investments, claims-paying ability, and overall financial strength. These ratings of TIAA as an insurance company do not apply to CREF or the TIAA Real Estate Account. You'll be flying in a jet maintained by Tommy.

When Tommy grows up, he'll be an aircraft mechanic. Perhaps he'll work on a jet that you fly in some day.

By then, the job will require an advanced knowledge of chemistry, physics, and trigonometry. Unfortunately, very few kids are being prepared to master such sophisticated subjects.

If we want children who can handle tomorrow's good jobs, more kids need to take more challenging academic courses.

To find out how you can help the effort to raise standards in America's schools, please call 1-800-96-PROMISE. If we all pitch in and help, America will get where it needs to go.

What is the 5 Finger Campus Coupon Book?

The 5 Finger Campus Coupon Book is a bi-annual publication which contains money saving coupons for college students. It is distributed throughout the entire year and new books are printed with each spring and fall semester.

Nikki Defazio - Penn State University

"It was a great opportunity for me to apply what I learned in the classroom and make money doing it."

Jeff Holley - Clemson University

"I was able to make many important business contacts, not knowing how much money could be made in sales."
